

FOOD & FUN

Boise Farmers Market | Guy Hand, Edible Idaho

Local restaurants, wine, craft beer, and cultural experiences are the trademarks of this weekend getaway. When agriculture is the number one industry in the state, great restaurants, food, and wine are sure to follow. Each day features a “Food to Explore,” broken down by breakfast, lunch, and dinner. Take the scenic route on day two by swinging down to visit Swan Falls Dam. You’ll drive along two scenic byways before heading back up to enjoy the mountain town (and food) of McCall. We’ve listed some fun activities and adventures along the route for any downtime in between meals.
